

TH947 VIBE

719 | CUTTING EDGE

Make a bold yet balanced statement with Vibe, a modern carpet that blends fragmented geometric forms with soft tonal striations for a look that is both dynamic and refined. Inspired by the interplay of structure and erosion in nature and architecture, this design features broken geometric patterns that seem to emerge and recede across a subtly striated backdrop. The layered effect adds movement and visual intrigue without overpowering the room. The tonal striations create a soft gradient beneath the sharp geometry, providing depth, warmth, and a sense of organic rhythm.
